

**PRINCE WILLIAM COUNTY
NOTICE OF RECEIPT OF COMPETING PUBLIC-PRIVATE PROPOSALS
FOR
ROUTE 234 – BRENTSVILLE ROAD INTERCHANGE**

Prince William County chose to accept an unsolicited proposal dated October 29, 2018 from Wagman Heavy Civil, Inc. in association with Rinker Design Associates, P.C to design and construct Route 234 – Brentsville Road Interchange in accordance with Prince William County Purchasing Regulations §1000 and Code of VA § 33-2-1800. et seq.

Prince William County Purchasing office advertised to receive competing proposals from interested parties until 3:00 P.M., local time April 1, 2019. Prince William County Purchasing received two competing proposals prior to the competition period deadline from Shirley Contracting Company, LLC in Association with Dewberry and Allan Myers, Whitman, Requardt and Associates (WRA), and Bowman Group.

The County PPTA Review Committee will review the two competing proposals to determine conformance with Prince William County Purchasing Regulations §1000 and Code of VA § 33-2-1800. et seq. The County PPTA Review Committee will make a presentation to the County Executive detailing its recommendation of whether to advance the proposals to the detailed proposal phase for consideration and recommendation to the Board of County Supervisors.
